

LET'S LET
THE PIGEON
DRIVE The
BUS!

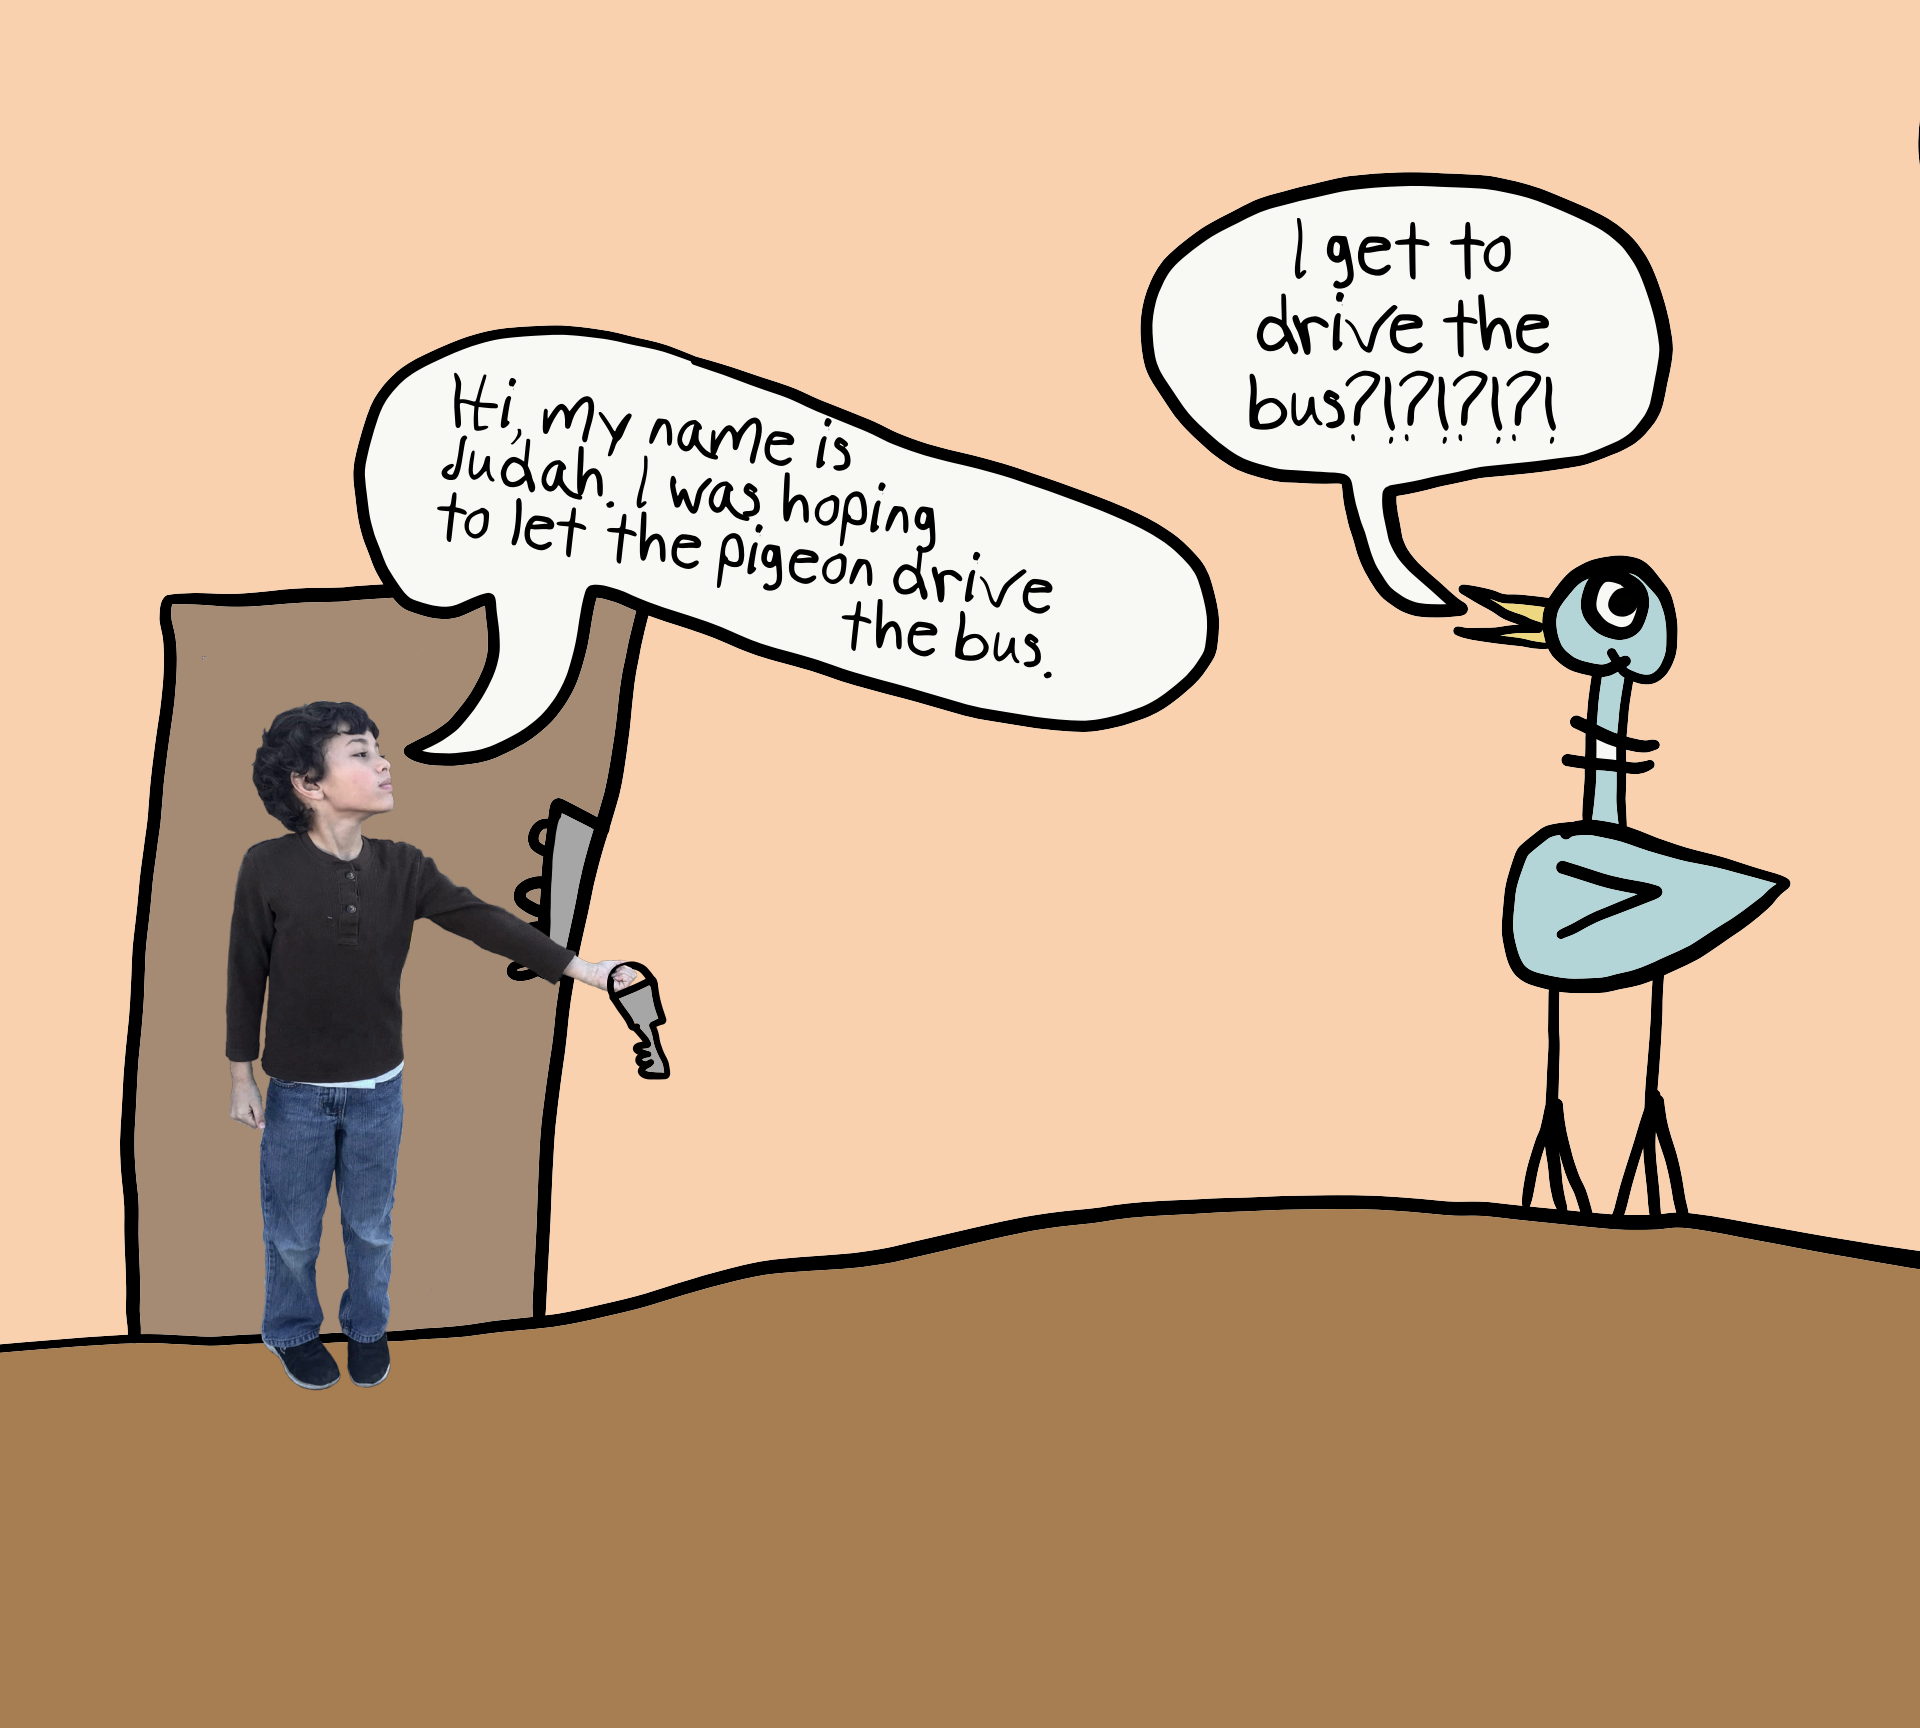

By Judah Hossein

INKED BY JODY PARMANN (AKA MAMA)

This is a fan piece drawn by 7 year old Judah Hossain who wanted to show what might happen if we let the pigeon drive the bus.

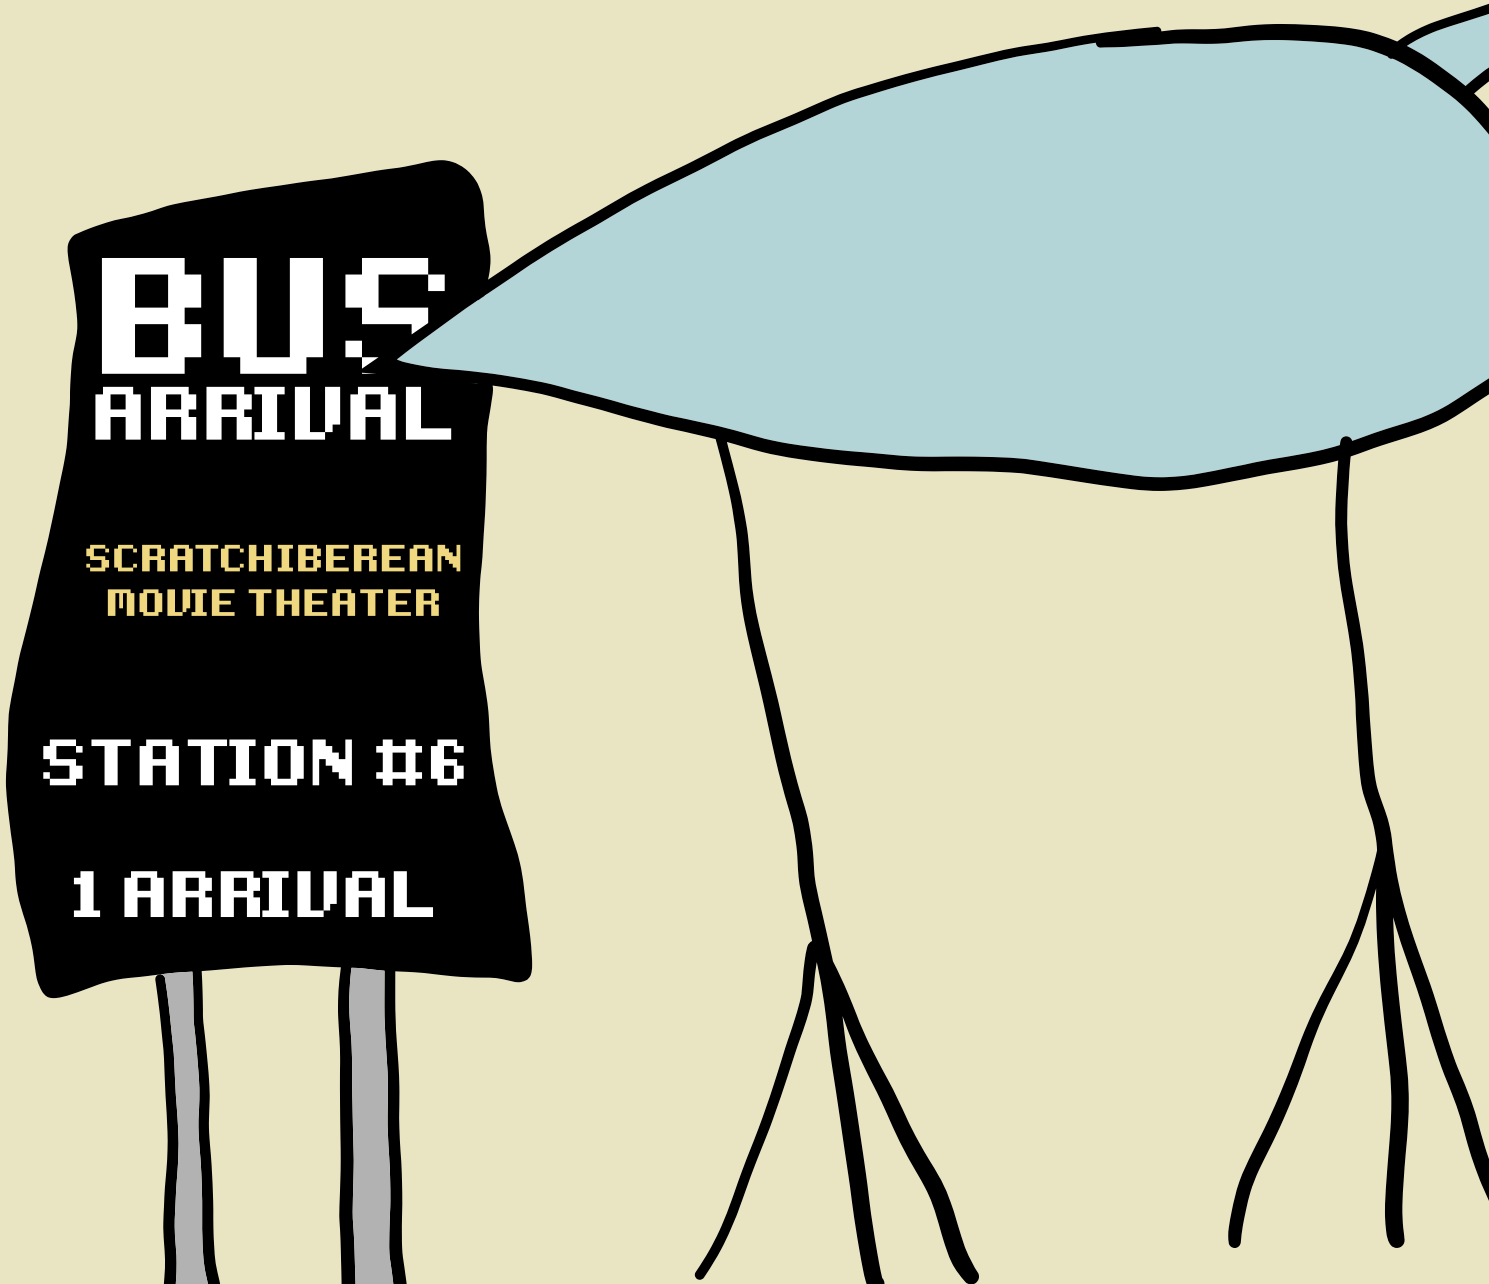

The original book *Don't Let the Pigeon Drive the Bus* is by, Mo Willems, an American writer, animator, and creator of children's books.

Hi, my name is
Judah. I was hoping
to let the pigeon drive
the bus.

I get to
drive the
bus?!?!?!?!?
